Teachers' upskilling aiming at a holistic inclusivity in learning

- A project focused on enhancing European and international perspectives in teacher education on inclusivity.
- Strengthens teachers' abilities to use resources for creating inclusive learning environments.
- Addresses the adaptation of traditional classrooms to inclusive settings, emphasizing tolerance, acceptance, and inclusion.

RESULTS

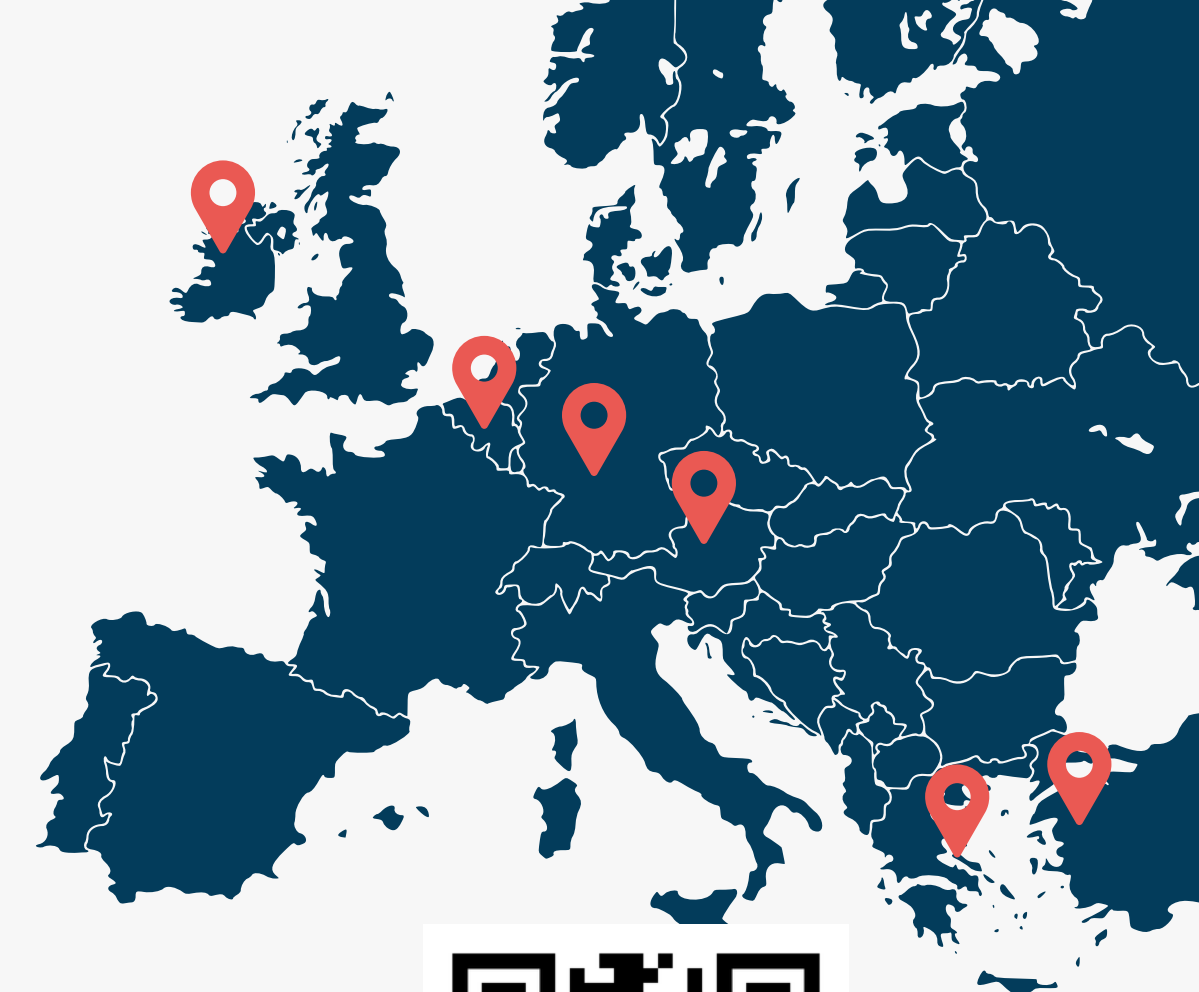

A forward-looking
upskilling strategy for
teachers

A curriculum on the
upskilling of teachers
to make their
classrooms inclusive

Training of Teachers in
Inclusive Education

VET TEACHERS' TRANSVERSAL SKILLS COMPETENCE ASSESSMENT SYSTEM

- VETCompass aims to identify the essential transversal skills required by VET teachers, trainers, and staff
- The project will contribute to the continuous professional development of VET teachers, trainers, and staff by providing a Transversal Skills Assessment Framework.
- VETCompass is comprised of a collaborative consortium with partners from 4 European countries.

FULL SERVICE TO INCREASE CAPACITY AND AWARENESS FOR DISRUPTING GENDER BASED VIOLENCE IN THE VET SPHERE

- Promoted gender -sensitive education by equipping VET institutions and educators with tools to recognize, prevent, and respond to gender -based violence.
- Developed inclusive learning environments through awareness -raising, capacity -building, and the integration of anti-GBV strategies.
- Empowered VET professionals and learners by fostering respectful relationships, gender equality, and a culture of zero tolerance towards GBV in education and training settings.

RESULTS

Desk research and collection of best practices to END GBV in educational structures

Training Package on matters related to GBV prevention in education

An online Platform/ an online model service

Unique

EqUal iNcluslon of **LGBTIQ** stUdents in VET

- Despite legal recognition in all OECD countries, LGBTQI+ individuals continue to face significant discrimination, especially in education and employment, often leading to school dropouts and limited professional opportunities.
- The project aimed to foster inclusive education in VET by training educators in gender -sensitive and transformative practices, equipping them to embrace diversity and promote equality through innovative teaching methods.

RESULTS

Development and pilot testing of a gender-inclusive Training Curriculum

Creation of an innovative training strategy featuring the appointment of Ambassadors

A MOOC platform, and an e-portfolio
