NUTS code GR122

II.1.3) Information about a public contract, a framework agreement or a dynamic purchasing system (DPS)

The notice involves a public contract

II.1.4) Information on framework agreement

II.1.5) Short description of the contract or purchase(s)

The purpose of the contract is to undertake a quantitative empirical investigation of the causal relationship between different measures of labour market mobility/transitions of individuals and the incidence and trend of their skill mismatch. To derive multivariate regression estimates of the relationship between skill development and accumulation (acquired via formal initial and continuing vocational education and training, and non-formal or informal learning), labour market mobility and skill mismatch. As a minimum requirement the study should use the European dataset that contains a longitudinal data collection component, namely the EU Survey on Income and Living Conditions (EU-SILC). Available data from the year 2004 until the most recently available wave released from Eurostat should be explored, covering all countries included in the dataset. The aim of this tender is to enhance the evidence base and to assess the validity of policies emphasising skill development and labour market mobility as strategies for mitigating skill mismatch in EU Member States.

III.1) Conditions relating to the contract

III.1.1) Deposits and guarantees required:

Not applicable.

III.1.2) Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them:

Payments will be made within 30 days (prefinancing) and 60 days (other payments) of submission of invoices and at the conditions set out in the draft contract.

— Prefinancing: 30 % after contract signature.

— Interim payment: 30 % after submission of interim report.

— Payment of the balance: 40 % after submission of final report.

For further details please refer to the draft contract (Annex B to the tender documents).

III.1.3) Legal form to be taken by the group of economic operators to whom the contract is to be awarded:

Tenderers may choose between submitting a joint offer as a consortium/grouping or introducing a bid as a single tenderer, in both cases with the possibility of having 1 or several subcontractors. Whichever type of bid is chosen, the tenderer must stipulate the legal status and role of each legal entity in the tender proposed. For more information please refer to the tender documents.

III.1.4) Other particular conditions

The performance of the contract is subject to particular conditions: yes

Description of particular conditions: Subcontracting is allowed and is defined as the situation where a contract has been or is to be established between Cedefop and a contractor and where the contractor, in order to carry out that contract, enters into legal commitments with other entities for performing part of the service. If awarded, the contract will be signed by the selected tenderer (the contractor), who will be vis-à-vis Cedefop the only contracting party responsible for the performance of this contract. Cedefop has no direct legal commitment with the subcontractor(s).

For more information please refer to the tender documents.

III.2) Conditions for participation

III.2.1) Personal situation of economic operators, including requirements relating to enrolment on professional or trade registers

Information and formalities necessary for evaluating if the requirements are met: Tenderers must meet the exclusion and selection criteria and have the legal position to allow them to participate in this tendering procedure.

Participation in this tender is only open to tenderers who are in a position to subscribe in full to the declaration on exclusion criteria and absence of conflict of interest in Annex C of the tender documents.

For more information please refer to the tender documents.

III.2.2) Economic and financial ability

Information and formalities necessary for evaluating if the requirements are met: Proof of economic and financial capacity must be furnished by the following document:

— signed statement of the tenderer's turnover concerning the type of services covered in this call for tenders during each of the last 3 financial years.

In the case of a consortium (grouping) or subcontracting each member of the consortium and all subcontractors must provide the required statement for the economic and financial capacity, but the assessment of whether the minimum requirement is met will bear on the consortium as a whole or the tenderer together with his subcontractors.

In the event of recommendation for contract award the winning tenderer (single tenderer or in the case of a consortium (grouping) each member of the consortium) will be requested to prove the above by submitting audited financial statements (audited profit and loss account/statement or equivalent) if these are foreseen by the respective national legislation. Should total subcontracting exceed 40 % of the work by value, Cedefop reserves the right to request audited financial statements also from the subcontractors.

If, for some exceptional reason the tenderer is unable to provide one or more of the above documents, he is required to justify the non-provision and may prove his economic and financial capacity by any other document which Cedefop considers appropriate.

Cedefop reserves the right to request any other document enabling it to verify the tenderer's economic and financial capacity.

Minimum level(s) of standards possibly required: The tenderer must be in a stable financial position and have the economic and financial capacity to perform the contract.

Requirement:

— the average annual turnover of the tenderer for the last 3 financial years concerning the type of services covered in this call for tenders should be at least 200 000 EUR.

III.2.3) **Technical capacity**

Information and formalities necessary for evaluating if the requirements are met:

The following documents or information must be presented by the tenderer to prove his technical and professional capacity to perform the proposed contract:

- a brief company profile with short presentation of the tenderer (experience in comparative European data and policy analysis, previous professional experience working with Eurostat micro-data, capacity to analyse socio-economic data at national and European levels),
- copy of an existing contract signed with Eurostat for access to Eurostat micro-data, or statement of eligibility to be checked against the legal entity form attached in Annex D of the tender documents, in line with Eurostat restrictions on access to micro-data,
- a list of at least 3 contracts performed in the past 3 years, similar to the scope, size and nature of this call for tenders as per the above noted criteria, describing the contracting authorities, the subjects, the amounts, the dates, the percentage and the specific tasks performed by the tenderer,
- the detailed CVs of the experts (preferably in Europass format) who will be proposed to implement the contract (the team leader, senior researchers and the team of researchers), i.e. of the persons whose involvement will be crucial for performing the contract, including reference to linguistic abilities and list of publications.

In the case of a consortium or subcontracting, the consortium or the tenderer with all subcontractors together must provide evidence of technical and professional capacity as a whole.

Minimum level(s) of standards possibly required:

The tenderers are required to have sufficient technical and professional capacity to perform the contract. They must demonstrate qualifications, knowledge, skills and the ability to perform the tasks outlined in the terms of reference.

Requirements:

- the tenderer must have a minimum of 3 years' experience in the field of comparative European data and policy analysis and the capacity to analyse socio-economic data at national and European levels,
- previous professional experience working with Eurostat micro-data and/or institutional eligibility to access Eurostat micro-data,
- the tenderer's proposed team of experts must have the profiles, knowledge and experience relevant to the subject of the study for the successful implementation of the contract.

In particular, the following requirements are mandatory:

- For the proposed team leader:

- minimum 5 years of individual experience in European research project management,
- minimum 4 years of individual professional research experience in total, in one or more of the following fields:

comparative research on the issue of labour market transitions

comparative research on education and training policy

comparative research on labour market and/or employment policy analysis,

- minimum 4 years of individual professional research experience in handling, processing and engaging in data analysis of large European or national micro-data sources,

- linguistic ability to communicate and draft to a high standard in English (level C1 as determined in 'Language levels of the common European framework of reference (CEF)').

- For the proposed senior researcher:

— minimum 4 years of individual professional research experience in total, in one or more of the following fields:

comparative research on the issue of labour market transitions

comparative research on education and training policy

comparative research on labour market and/or employment policy analysis,

— minimum 4 years of individual professional research experience in handling, processing and engaging in data analysis of large European or national longitudinal/panel micro-data sources,

— linguistic ability to communicate and draft to a high standard in English (level C1 as determined in 'Language levels of the common European framework of reference (CEF)').

• For each of the proposed researchers/team members who will be involved in the study:

— minimum 3 years of individual experience in total, in one or more of the following fields:

comparative research on the issue of labour market transitions

comparative research on education and training policy

comparative research on labour market and/or employment policy analysis,

— linguistic ability to communicate and draft to a high standard in English (level B2 as determined in 'Language levels of the common European framework of reference (CEF)').
